

# Business Listing

## For all businesses, please check

- Do not accept estimates.
- Do not always choose the most popular company.
- Check reviews on the company - Google, Checkatrade, [yell.com](http://yell.com), trustpilot and their own Facebook page or website
- Ask for customer references and work done previously.
- Ask for written evidence of the above especially liability insurance
- Always get a few quotes.
- Check qualifications
- Check they have insurance
- Agree a written work with your business that outlines the work.
- If you can pay by credit card
- Always ask for a receipt:

### CAUTION

For minor electric works make sure you get a certificate of work and for bathroom work or main circuit work make sure the work is performed or formally certified by some one who is registered with a governing body. If the company claim to part of a governing body such as NICEIC, NAPIT, ElecSA and Stroma for electrical work ask for their registration number and check.
